

2019 RULES

As part of this association you are committed to a trusting, welcoming organization. It is our goal to enhance the sport of automobile racing. You can count on fair judgement, fair paying events, competitive racing, equality, and enforced 2019 RULES.

As part of our association, you must obey our 2019 RULES and regulations but furthermore, RESPECT EACH OTHER.

VEHICLES

Permitted Cars: 80 's Round Cars- 1979 and newer Mopar Full-size Models, 1977 and newer GM Full-Size Models, 1979 and newer Ford and Mercury full-size Models.

Non- Permitted Cars: NO 70 's ONLY body style cars allowed (new for 2019)

1980 and newer Lincolns and Continentals. No left over previous non-metric cars. All cars must be of new metric design.

No cars with T-tops or convertible roofs in any form allowed. ANY SUNROOF opening MUST be secured with metal that is NO thicker than the OEM roof material itself.

ENGINE & FUEL

Any make or model 8-cylinder engine is allowed in Any chassis.

Welding of motor mount stands to frame will be allowed however, no additional plating or reinforcement will be tolerated.

No electric fuel pumps.

No fuel injected engines.

Gasoline is the only fuel type permitted- NO alcohol or nitrous oxide systems allowed.

The stock OEM gas tank must be completely removed from all competition vehicles.

Plates used to protect distributor will be limited to close proximity to distributor, any plating material used is not to exceed 8 inch X 10 inch thick x ¼ inch thick.

No additional angle bracing of the distributor protective plate will be allowed. This also include protecting carburetor & fuel pump.

BODY FRAME & SUSPENSION

Absolutely NO ADDITIONAL weight added to cars with the intent to increase the weight of the car. Adding any additional weight to any vehicle or drive train is unacceptable and not allowed.

2019 RULES

All the following items are to be removed prior to entering the racing facilities:

- Trailer Hitches
- Glass
- Headlights
- Taillights
- Left Side Door Handles

All vehicles are to be prepared for competition prior to arrival to the event.

Trunk compartment must ALWAYS remain accessible and cannot be filled with ANY weight bearing material or objects, and the trunk lid can never be bolted shut.

Bodies & frames cannot be reinforced, filled or loaded with any weight bearing material. Violations of this rule will result in forfeit of prize money or points.

No additional welding on frame seams or plating framed allowed. The OEM Stock factory frame must be used only. No modification to any frame allowed that have not been PRE APPROVED by the designated TDA competition director. Violations of this rule will result in forfeit of prize money or points.

Upper control arms are to remain in the stock position; they can be welded to the frame.

The Sway Bar itself must remain OEM to the frame or chassis however can be moved NO FURTHER than 3 inches from the OEM mounting location. NO additional reinforcement to the mounting area or the sway bar itself will be allowed.

All suspension parts/equipment must remain OEM, truck parts not allowed.

All bolts, including hood bolts, are not to exceed 1 inch in diameter, not to exceed 14 bolts total to the frame or body.

All body bolt washers or materials used as washers shall not exceed 4 inch x 6 inch x 6 inch (max ½ inch thick). No exceptions.

Painting and undercoating is not allowed to car frame in any location. If the vehicle is too rusty, don't use it.

Any make model CAR Bumper on Any vehicle. Absolutely no adding to bumper. NO TRUCK BUMPERS ALLOWED. Bumper straps are permitted, not to exceed ⅝" thick x 2 inch wide steel strap.

All bumpers are not to exceed more than 22 inches from the ground. Highest point of bumper not to exceed 22 inches from the ground to the highest point or top of the bumper. No additional plating may be done to secure bumper to frame or boxes. If bumpers are aluminum, minimal reinforcement is allowed.

2019 RULES

Bumper shocks must be stock and can be collapsed and welded. Must be mounted in stock location. No modifying is allowed.

Welding ONLY is allowed on the following areas:

- Bumper Mounts
- Backing Plates
- Bumper Boxes
- Frame Horns

Not to exceed 8 inches from front of frame horn.

Mandatory Left Side Door Protection:

9 foot maximum C CHANNEL along left drivers side (not to exceed 9 feet) 1-½ inch x 4 inch x 1-½ inch not to exceed ¼ inch thick. Post to Post minimum.

Steel Plate can be vertically welded to secure the drivers door and door jam. Vertical plates welded in place can be no thicker than ¼ inch thick flat steel x 3 inches wide max. No bolting of plates allowed.

Angle iron bolted driver's and passenger's doors not to exceed 4 inch x 6 inch x 36 inch. All other angle iron not to exceed 4 inch x 6 inch x 6 inch.. Not to exceed ½ inch thick. No exceptions.

Passenger side door must be reinforced with metal strap from roof post to bottom of frame. Plate can be welded along seams and pillars. Intention of plate to stop the passenger side door from collapsing.

No welding on passenger inside door seams or reinforcement of cowl and door posts behind doors.

Battery Boxes CAN NOT exceed ⅛' thick and should conform to the same size of battery being used. Batteries are to be securely fastened down and covered with a rubber pad. No exceptions.

No Snow Tires, No Mud Tires, No Swampers, No Paddles, and No All- Terrain Tires. Tires must be street legal, DOT approved. Rule is for REAR only. Any inflated rubber on front.

Safety

Seat/Safety belts are required and MUST be worn. Vehicles MUST have seat/safety belts to pass inspection.

5 point harness is strongly recommended.

Reinforced seat mounts are recommended,. Stock headrests are recommended.

C-Collar, helmet support, and neck collar are all MANDATORY. NO EXCEPTIONS.

Knee Guards/Pads and Shin Guards/Pads are MANDATORY. NO EXCEPTIONS

Gloves are recommended for all drivers.

On board fire extinguishers are recommended.

Competition

Members of TDA grant TDA full permission to collect and retain all vehicles or vehicles parts. These items are those that are relevant to an incident, inspection, accident, or investigation.

Each team will be allowed 2 (TWO) protests/challenges per race season

Race Radios ARE NOT ALLOWED and any form of electronic communication is not allowed.

All competing vehicles must pass PRE-RACE inspection ON TRACK prior to the green flag.

Scorer's and official's decisions are final!

Any disputes, questions, or concerns will be heard by TDA officials.

Any car leaving the designated race area will be disqualified. This means BOTH bumpers have past track barriers.

You are responsible for your own actions at all times and this includes on the race track.

Car numbers must be limited to 1 or 2 digit numbers (numbers must be numeric). MANDATORY *WHITE numbers ONLY on all roofs*. All numbers must be in a 3 foot by -3 foot square area.

Roof numbers must be legible from the left side of the car. WHITE NUMBERS ONLY. If you do not have white numbers on roof, pro testing eligibility will not be allowed.

TDA officials have the right to call a red flag during any situation that an official call.

Cars without 3 sets of single or double-digit numbers will not be scored.

Any driver that leaves their car DURING a race is disqualified. (Except extreme situations, example FIRE.)

Any driver intentionally ignoring a red flag situation will be disqualified.

In the event of a tie breaker, the team with the MOST final Round Wins will determine the win.

2019 RULES

In the event of a side by side countdown, the team whose car completes the most laps first will be given the victory.

In the event of a second tie breaker, the team with the most wins against each other will determine the win.

In the event of a third tie breaker needed, the fastest race against each other will determine the win.

When the green flag drops, that race has been started and NO additional cars will be allowed on the track. In the event a car or driver does violate this rule, the violating team will be eliminated and no points will be awarded for that round. Drivers are never allowed into the racing area without the approval of a TDA official.

(When the race is released from staging, that means the race has officially started and the lineup is complete. No additional cars will be added to that race.)

All competing vehicles must clear tech inspection. Tech inspection will be held from 2 -5pm ONLY. Team vehicles not inspected by 5pm, will result in points penalty for team.

All vehicles lined up for competition MUST have cleared inspection process prior. \$1,000 fine for vehicles not inspected prior to 5pm.

All vehicles will be subject to tech inspection, AFTER tech inspection. This may happen any time throughout the night.

TDA reserves the right at ANY TIME to inspect ANY vehicle that is registered for that night's competition.

Two predetermined Teams will be responsible each night of competition to assist in tech process with TDA official. TDA official and both teams will collectively tech/inspect cars.(New for 2019)

Anyone other than a TDA official, security, or medical team that goes over the retaining wall will be penalized and banned from the premises.

NO FIGHTING of ANY kind...period, end of discussion! POINTS WILL BE DEDUCTED.

Abusive language will not be tolerated to ANY extent. This includes language toward or with a TDA official. Also includes abusive language used on social media sites. TDA HAS THE RIGHT TO DEDUCT TEAM POINTS FOR SUCH BEHAVIOR.

Intolerable behavior will not be acceptable, if disciplinary action needs to be taken, it will include arrest.

VEHICLES THAT DO NOT PASS TECH INSPECTION FOR THAT NIGHT'S COMPETITION, WILL NOT BE ELIGIBLE TO RACE.

Tech inspection stickers/or paint must be visible at all times.

2019 RULES

All vehicles must have hoods and trunks accessible for inspection.

Housekeeping

Pit shack will be open for 1 hour after race to collect all prize money. Driver's License must be present.

Driver Registration Membership Form must be filled out, signed, and approved by TDA prior to being an official member.

TDA has all rights to copyright and trademark logos, team names, team brand etc. If used for personal use, must have TDA written approval in advance.

Any team, owner, driver, or affiliate selling any merchandise on the grounds of Route 66 Raceway will be disqualified and forfeit all monies immediately. Selling merchandise is completely acceptable off premises.

Team owner **MUST** be present at the Driver's Meeting at EXACTLY 6:30 pm. Owner not present will result in a \$1,000 fine, deducted at payout. (Team Captain may be present if the owner has established that with TDA management.)

5 Complimentary Drivers' cards (per team) will be given to team owner. If not present with driver at window, driver will need to pay for pit pass. NO EXCEPTIONS.

10 Complimentary Parking Passes will be given to each Team Owner per round, prior to race day. If not present on race day, you will pay for parking-no exceptions.

EVERY TDA DRIVER/MEMBER may be tested for alcohol pre-race or post-race randomly.

Format, Payout & Point Configuration:

In order to be eligible for that night's points, prize money, and point fund each team must have a MINIMUM of 11 LEGAL, OPERABLE, and RACE- READY cars to compete to guarantee \$5,000 minimum payout.

Total Payout \$44,000 Per Night!

Bonus Awards Per Round/Night

1. Race of the Night awarding \$250 Cash to each team
2. Hit of the Night- awarding \$500 Cash to the individual driver.
3. Hard Luck Award-awarding \$500 Cash to the team.
4. Triple Checkered Challenge- 3 Checkered Flags, Same driver, Same night =\$300.

Unearned=Progressive.
