

2023 RULES

JOLIET, ILLINOIS

2023 Schedule

June 24th, August 26th, September 23rd

September 23rd 1st round 70's Cars

HAVE YOU EVER WANTED TO RACE TEAM DEMOLITION DERBY @ DIRT OVAL 66 located at Route 66 Raceway in Joliet, Illinois?

NOW IS YOUR CHANCE....

The Original Team Demolition Derby originated with 8 Teams.

4 Preliminary races of 2 teams each race with 4 cars per team.

2 Semi Rounds with 2 teams each race with 4 cars per team, determining the final round of action which is 1 Round with 2 teams, 4 cars each. 56 Cars total being used for that night of competition.

In the past, Each team was organized and managed by 1 owner, essentially 8 teams with 8 owners and multiple drivers amongst each team.

In an effort to restructure the sports league due to MANY factors, we are changing the format on how to join (be a part of the action) the league/series. In the situation when there is not a team owner with a complete team, we will open the registration to any eligible driver willing to build a minimum of 2 Team Derby Cars for one night's competition. Any driver can build more than 2 but 2 is a minimum.

IDEALLY we would start with the original 8 team format. Each of the 3 nights competition will be organized based on the amount of registered cars. If we have enough for 8 teams we will race 8, if we have enough for 5, etc. The format will depend on the amount of drivers/cars registered for that particular night.

4 Preliminary races amongst 8 teams. 4 Cars for each team. 4 teams advance.
